

== An Epic Team- Building Field Trip for Grade 5 Adventurers ==

WHY THIS FIELD TRIP IS A GAME-CHANGER:

Because this isn't just a field trip...

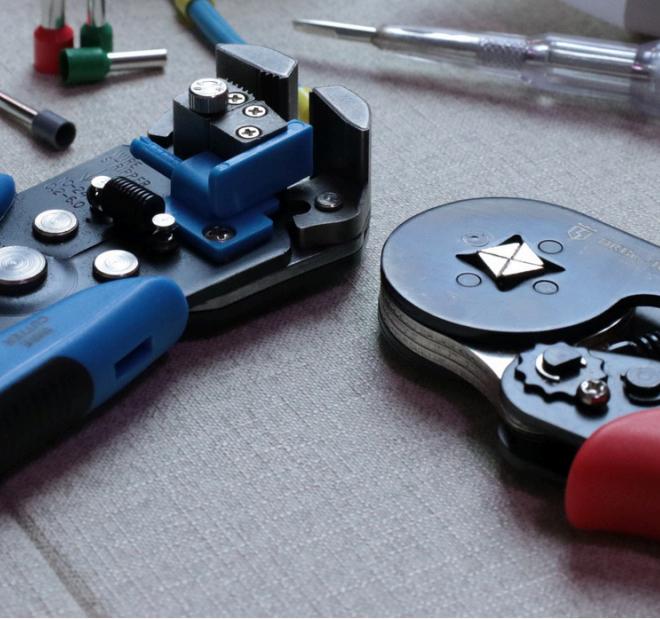

It's a REAL-LIFE MISSION to build a natural mini structure—

Using only TEAMWORK, TOOLS, and THE EARTH beneath your feet.

Boys will work together, use hand tools, and build a structure that protects a real power source on the farm.

It's STEM meets survival, and it's unforgettable.

FIELD TRIP HIGHLIGHT

THE POWER HUT CHALLENGE

Your team's mission:

Design and build a natural shelter to protect 5EyesFarm's electric system.

You'll use:

- Timber logs & bamboo
- Clay & sand from the land
- Even recycled human hair for BONDING!

Learn to Use

- Hammers
- Hand saws
- Wood chisels
- Leveling tools
- Natural plaster techniques

ALL with SUPERVISED SAFETY,
GUIDANCE & TEAM ROLES that Let Every
Student SHINE.

WHAT STUDENTS WILL DO:

- Mix mud with their feet
- Shape walls with bare hands
- Cut timber to size
- Work in rotating teams
(builders, mixers, designers, inspectors)
- Celebrate when their shelter stands STRONG together!

WHAT STUDENTS WILL GAIN:

🔨 Build Confidence

Using real tools and natural materials teaches students they are capable of real-world skills.

🤝 Learn Teamwork

Every success depends on working together—planning, problem-solving, and supporting each other.

01.

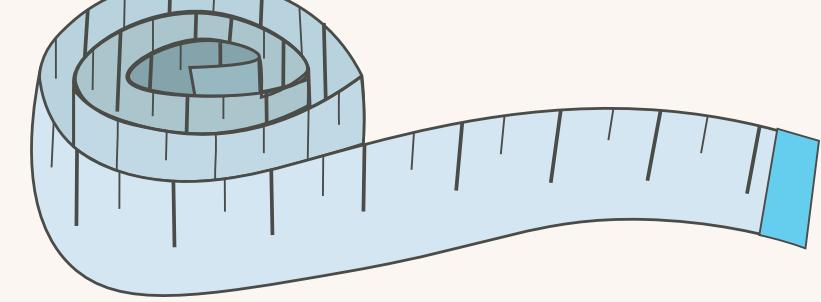

Problem-solving +
hands-on STEM

02.

Tool safety &
building confidence

03.

Communication &
leadership

WHAT STUDENTS WILL GAIN:

💬 Strengthen Communication

They'll practice giving instructions, listening, and sharing ideas—all key to a successful build

🌿 Connect with Nature

By working with clay, timber, and earth, students experience sustainability first-hand.

💪 Feel Proud

There's no feeling like standing next to something you built with your own hands.

04.

Communication
& leadership

05.

Eco-awareness
through real
experience

06.

Grit, pride, and
teamwork skills

What's INcluded:

- All building & safety materials
- Guided tools training
- Team coaching and supervision
- Lunch, drinks, and treats
- Experienced facilitators

PLUS! FARM ADVENTURE ADD-ONS:

- 🐣 Animal feeding + forest garden walk
- 🔎 Eco-explorer mini treasure hunt
- 🧠 Farm science quiz for extra points
- 🍴 Farm lunch & muddy snack break
